Revise and Resubmit

Stephens, Heather M., Elena Irwin, and Mark D. Partridge. “How do pollution and other environmental disamenities affect business location?” (*Land Economics*)

Under Review

Cary, Michael (PhD graduate) and **Heather M. Stephens**. “Gender, Risk Aversion, and Travel: How COVID-19 Affected Participation in Ultramarathons.”

Cary, Michael (PhD graduate) and **Heather M. Stephens**. “Air Pollution and Physical Productivity: Evidence from Ultramarathons.”

Cary, Michael (PhD graduate) and **Heather M. Stephens**. “Road Network Structure and Air Pollution: Moving Beyond the Fundamental Law of Road Congestion.”

Chen, Zhongfei, Fanglin Chen, **Heather M. Stephens**, Mark D. Partridge, and Anping Chen. “Heterogeneity in Air Pollution’s Influence on Health.”

Nason, David (PhD candidate) and **Heather M. Stephens**. “The Spatial Distribution of Skills and Local Labor Market Impacts from the COVID-19.”

Working Papers

Dobis, Elizabeth and **Heather M. Stephens**. “Do Urban-Rural Interactions Matter for Economic Vitality in the United States?”

Stephens, Heather M., Zachary Keeler (PhD graduate), and Mark D. Partridge. “New Business Opportunities from COVID-19.”

Taylor, Samuel (PhD graduate) and **Heather M. Stephens**. “Impact of Large Scale Water Contamination on Population Change.”

Wadsworth, Allyssa (PhD graduate) and **Heather M. Stephens**. “The Attraction of Health Care and Urban and Natural Amenities: Is it really retirees who move for these benefits?”

Works in Prep

Analysis of infrastructure funding in the federally funded regional commissions (with Brookings Institution).

The Distributional Effects of Targeted Economic Development Incentives (with Carlianne Patrick).

Research on how a spouse's employment risk affects women entrepreneurs (with Sisi Zhang).

Research on the spatial distribution of labor force participation (with Steven C. Deller).

Research on the impact of property tax limitation laws on housing values (with Zachary Keeler and Michael Cary).

RESEARCH GRANTS AND FELLOWSHIPS (FUNDED)

“Realigning Skills for the Workforce of the Future.” Benedum Foundation. Principal Investigator. Funding: \$100,000. Timeframe: July 2024 to July 2025.

“EnergyWise West Virginia Plan.” Subaward to EPA grant to West Virginia Department of Energy. WVU Principal Investigator. WVU Funding: \$697,915. Timeframe: October 2023 to June 2027.

“Factors affecting the success of female and minority rural entrepreneurs and rural economic vitality.” USDA NIFA Grant. Principal Investigator. Funding: \$649,913. Timeframe: May 2023 to May 2026.

“NE2249: Sustainable and Inclusive Rural Economic Development to Enhance Housing, Health, Entrepreneurship, and Equity.” Official Station Representative, Multi-State Hatch Project, U.S. Department of Agriculture, 2022–2027.

Research contract with the Brookings Institution to examine the impact of U.S. regional commissions. Funding: \$15,000. Timeframe: May to November 2021.

“ARC Coal Industry Ecosystem (CIE) Analysis Extensions.” Appalachian Regional Commission. Co-Investigator. Funding: \$499,913 (Stephens' portion: \$79,749). Timeframe: 2019–2021.

“City Transportation and Air Pollution in China.” International Cooperation Grant, Jinan University, 2018-XJCG030. Funding: 30,000 RMB. Timeframe: 2018.

Big XII Faculty Fellowship. Provided funding for collaboration with faculty at Oklahoma State University. Funding: \$2500. Timeframe: 2017–2018.

“Rural America and the Economic Impacts of Energy, the Environment, Entrepreneurship, and Health Care.” Hatch Project, U.S. Department of Agriculture, 2017–2022.

“NE1749: Enhancing Rural Economic Opportunities, Community Resilience, and Entrepreneurship.” Official Station Representative, Multi-State Hatch Project, U.S. Department of Agriculture, 2017–2022.

“NE1049: Community Health and Resilience.” Official Station Representative, Multi-State Hatch Project, U.S. Department of Agriculture, 2017.

USDA Economic Research Service (ERS) Visiting Scholar. Worked with USDA economists on research and gained access to data worth approximately \$200,000. Timeframe: 2016–2017.

“Understanding U.S. College Graduate Migration.” Early Career Grant Scheme, Regional Studies Association (a UK-based international membership organization). Principle Investigator. Funding: \$15,000. Timeframe: 2013–2015.

"Leveraging natural amenities for sustainable development in the Great Lakes region." National Oceanic and Atmospheric Administration, Ohio Sea Grant Program. Co-Principle Investigator with Mark Partridge and Elena Irwin. Funding: \$180,000, plus match. Timeframe: 2010–2013.

ACADEMIC PRESENTATIONS

Conference Presentations

Federal Reserve Conference on Uneven Labor Market Outcomes: 2024.

North American Meetings of the Regional Science Association International (NARSCI): 2010, 2011, 2012, 2013, 2014, 2016, 2017, 2018, 2019, 2020 (virtual), 2023.

Western Economic Association International Conference: 2015; 2022.

European Regional Science Association (ERSA) Annual Congress, 2021 (virtual).

Southern Regional Science Association Meeting (SRSA): 2010, 2011, 2014, 2015, 2016, 2017, 2018, 2019, 2020 (canceled), 2021 (virtual), 2023.

Regional Science Association International (RSAI): 2020 (postponed), 2021 (virtual).

Applied Social Sciences Associations (ASSA) Annual Meeting: 2018, 2021 (session organizer: virtual).

Agricultural and Applied Economics Association (AAEA) Annual Meeting: 2011, 2018, 2019, 2020 (session organizer: virtual).

Federal Reserve Community Development Research Conference: Renewing the Promise of the Middle Class: 2019. Audience included researchers, policymakers, and community development professionals.

American Real Estate and Urban Economics Association International Conference: 2018.

Regional, Urban, and Spatial Economics (RUSE) Meeting: 2018.

Regional Studies Association North American Conference: 2016.

National Tax Association Annual Conference on Taxation: 2015.

US Association for Energy Economics (USAEE)/International Association for Energy Economics (IAEE) North American Conference: 2015. (Attendees include academic and non-academic professionals.)

Urban Economics Association Meeting: 2014.

Lincoln Scholars Program, Lincoln Institute of Land Policy, Cambridge, Massachusetts: 2014 (Invited Presentation).

Rural Wealth Creation and Livelihoods: A National Conference and Conversation: 2011. Participants included economic development practitioners, researchers, and policymakers.

Invited Seminar Presentations

Colorado State University (2024); Michigan State University (2023); University of Tübingen, Germany (2022); University of Maine (2020); Pennsylvania State University (2019); Regional Research Institute (RRI), West Virginia University (2018); Oklahoma State University (2017); University of Akron (2016, 2012); Jinan University, Guangzhou, PRC (2016); University of Southern California (2014); New Mexico State University (2012); University of Alaska Anchorage (2012); Washington State University (2012); John Glenn School of Public Policy, The Ohio State University (2012); Denison University (2011); Voinovich School of Leadership and Public Affairs, Ohio University (2010).

OTHER PROFESSIONAL EXPERIENCE

Government Relations and Outreach Associate, Voinovich School of Leadership and Public Affairs, Ohio University, Athens, OH, 2006–2008.

- Helped manage the Consortium for Energy, Economics, and the Environment (CE3), a university-wide interdisciplinary research consortium.
- Worked with academic researchers and regional, state, and federal officials to organize regional and statewide conferences related to energy and its potential as a tool for economic growth, especially in Appalachian Ohio.
- Wrote successful federal and foundation grant proposals.
- Provided government relations support to the School and the University.
- Mentored and supervised undergraduate and graduate students.

Executive Director, Washakie Development Association (a local non-profit economic development organization), Worland, WY, 2003–2005.

- Led this local economic development organization and managed its projects and budget.
- Wrote successful grant proposals and reports on local economic issues.
- Orchestrated the passage of a local optional sales tax to support regional development.
- Served on various local boards.

Independent Consultant, providing strategic marketing, general business, economic development, and public policy consulting services, 2002–2003.

- Clients included the Jackson Hole Chamber of Commerce (WY), the State of West Virginia, and Cinergy Corporation.

Business Development Manager, MCI, Arlington, VA, 2000–2002.

- Identified and established new consumer marketing partnerships. Responsibilities included analyzing the financial terms and negotiating the contracts.
- Ensured successful execution of new partnerships by managing: the relationship with the partner company, systems integration, coordinated marketing campaigns, financial transactions and reporting, and the communications and public relations plan strategy.
- Recipient of company leadership award for coordinating internal constituencies for the launch of a new line of business.

Legislative Assistant, Congressman Thomas C. Sawyer, U.S. House of Representatives, Washington, DC, 1994–1998.

- Senior Advisor to the Congressman. Helped develop and implement the Congressman's legislative agenda. Worked on issues related to the House Committee on Energy and Commerce and the House Committee on Education and the Workforce. Negotiated on the conference committee for an omnibus job training bill. Legislative successes included passage of the Congressman's health information legislation.
- Wrote and edited legislative summaries, memos, press releases, speeches, newsletters, and letters.

ADDITIONAL INFORMATION

Proficient with STATA, ArcGIS, SAS and MATLAB.

Worked as a seasonal Interpretive Park Ranger at Badlands National Park (2005) and on the Blue Ridge Parkway (2006).

Taxicab Driver, Blackboard Transportation, Jackson, WY, 2003.
